To Whom It May Concern:

The Cambridge Badminton Club offers badminton to adults twice weekly from Sept. to April. Each year we hold an awards banquet to congratulate our club champions. We have had many years of success due to the generosity of Cambridge Businesses who donate to our prize table each year.

Our club of approx. 100 members, receives a newsletter monthly, where we would be happy to promote your business as a sponsor of our awards banquet. As well, we display a list of our sponsors at the banquet and on our website: <http://cambridgebadmintonclub.com>.

It would be greatly appreciated if we could count on your support.

Respectfully yours,
